# Kreyòl pale Koulè kreyòl

# Men anpil, chay pa lou

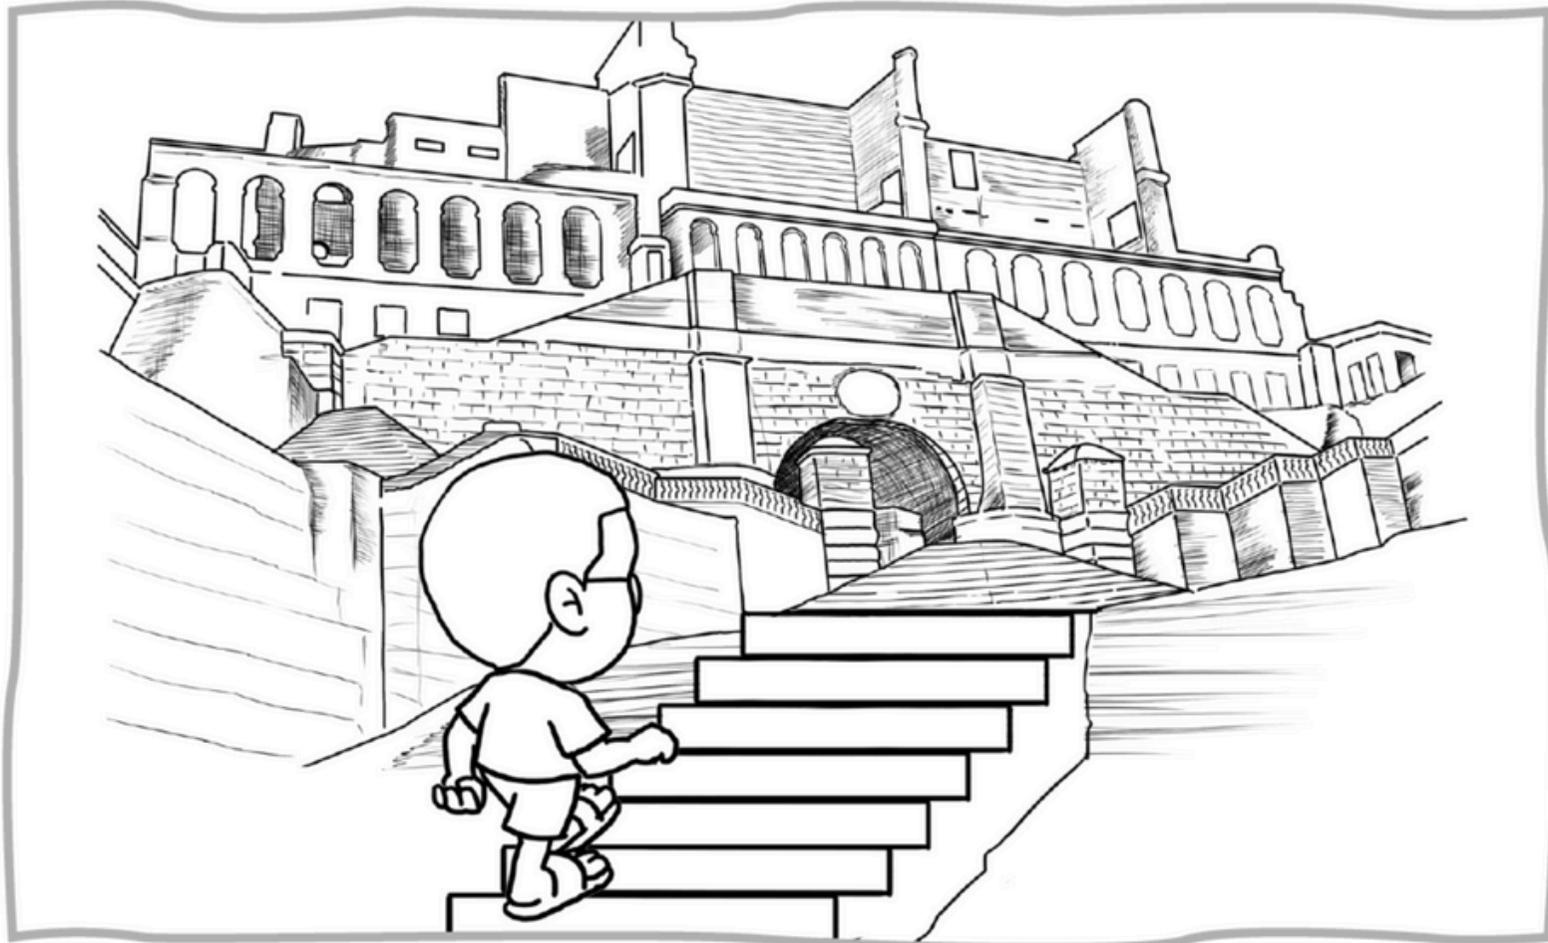

Kouri pou lapli, tonbe larivyè

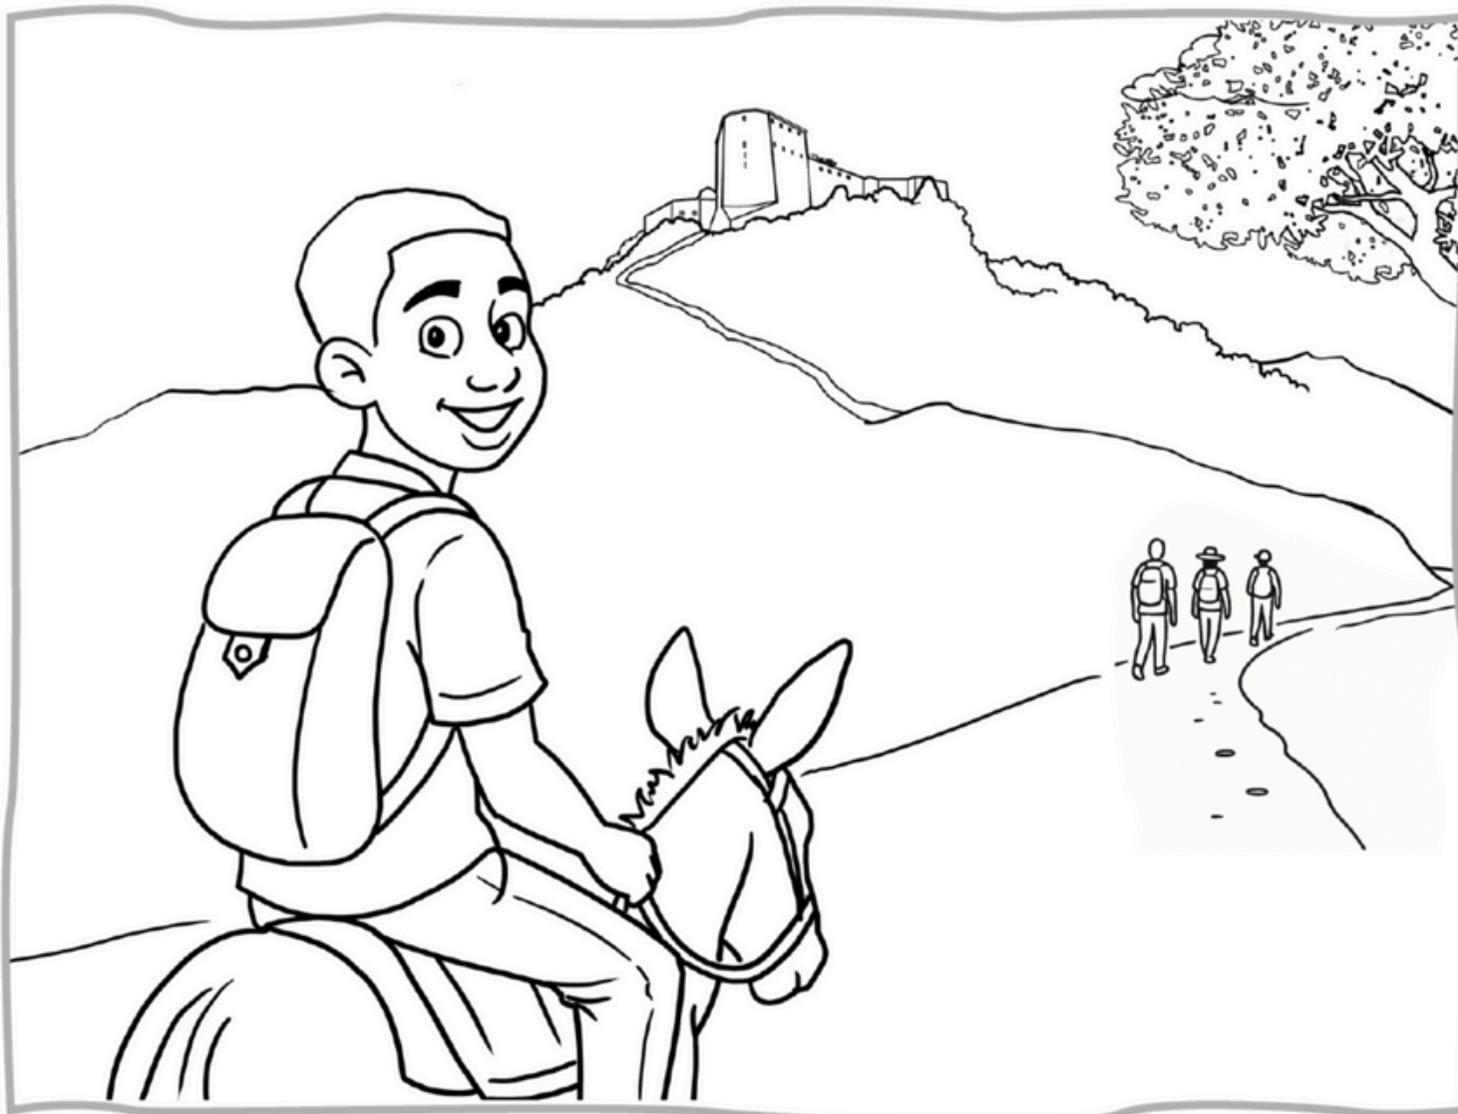

Pa janm koupe dwèt moun k ap ba w manje

Bwa pi wo di li wè lwen  
men grenn pwomennen di li wè pi lwen pase l

Fòk ou mache pou ou wè kote lari a fè kwen

# Lespwa fè viv

# Timoun se richès malere

Manje kwit pa gen mèt

# Zwazo pouse sou tout branch

Se tè ki bat ki bwè lapli

# « Bonjour » w se paspò w

piti piti zwazo fè nich li

Sonje, se lapli ki leve mayi ou

# Vwazinaj se fanmi
